(Science)
- University (Ongoing-1st year)
B.sc(Hons) Computer science and A.i
Sunway college affiliated to Birmingham
City University, Birmingham, UK

About Me

I am passionate about technology and education, especially in the field of artificial intelligence. Currently pursuing a degree in computer science, I specialize in machine learning and Python programming. I love sharing my knowledge with others, particularly children, and find joy in empowering them to explore and excel in coding. My teaching style is adaptable and engaging, and I take great pleasure in helping others unlock their creativity through programming.

Certificates

Responsive Web Design
